HAKKIMIZDA

Tavcam Aydınlatma olarak, camın estetik gücünü modern tasarım anlayışıyla birleştirerek özgün avize tasarımları üretiyoruz. El işçiliğine dayalı üretim yaklaşımımız ve projeye özel tasarım bakış açımızla, mekânlara yalnızca ışık değil, karakter ve kimlik kazandıran özel parçalar tasarlıyoruz.Her avizemiz; camın ışıkla kurduğu etkileyici ilişkiyi ön plana çıkaran, detaylara özenle çalışılmış ve zamansız bir tasarım anlayışıyla şekillenir. Renkli cam uygulamalarımız, farklı doku seçeneklerimiz ve özel ölçü üretim imkânlarımız sayesinde; klasik, modern ya da çağdaş mimariye uyum sağlayan özgün aydınlatma çözümleri sunuyoruz.

Bu katalogda yer alan tüm ürünler, Tavcam Aydınlatma'nın yeni avize koleksiyonuna ait özel tasarımlardır. Her model; estetik, işlevsellik ve malzeme kalitesini dengede tutacak şekilde geliştirilmiş olup, bulunduğu mekânda güçlü bir odak noktası oluşturmak üzere tasarlanmıştır.

Amacımız; ışığın, camın ve tasarımın uyumuyla mekânlara görsel olarak etkileyici, özgün ve akılda kalıcı atmosferler kazandırmaktır. Tavcam Aydınlatma olarak, çağdaş cam avize tasarımını zanaatkârlıkla buluşturmaya ve yeni koleksiyonlarımızla yaşam alanlarına değer katmaya devam ediyoruz.
