

" Dünya aydınlansın diye, atese el attık "

" We set our hands to the fire so that
the world can be lightened up "

Cama dokunarak, camın akışkan hareketiyle bütünleşerek üretim yapan profesyonel ustalarımızın çalışırken camla yakaladığı uyumu ürünlerimize bakınca hissedebilirsiniz. Aydınlatma sektöründe farkımızı ortaya koyan nokta da tam burası. İşimizi seviyoruz, cama değer veriyoruz.

Having a look at our products, you can instantly feel the harmony that our professional masters seized while working by touching the glass and communing with the fluid motion of it. This is exactly what exhibits our difference in the lighting industry. We love our profession, we value the glass.

HAKKIMIZDA ABOUT US

TAVCAM bir aile şirketi olarak 1979 yılında kuruldu. 8-10 çalışanımızla birlikte avize kristalleri üretimiyle başlayan yolculuğumuza, 90'lı yıllarda cam kristal ve avize üretimiyle devam ederken, 2000'li yılların başında üretimine başladığımız el işi cam ve kristalleriyle sektöre farklı bir renk ve soluk kattık.

Işıklı olan yolculuğumuz; bugün 100'ü aşkın çalışan ile birlikte avize ve aydınlatma ürünlerinin yanı sıra çok yönlü proje tasarımları ve uygulamalarıyla sürdürülmektedir. Cam üretimimiz kadar sıcak, hızlı ve şeffaf çalışma anlayışımız ile bizim ve müşterimizin ömrüne ömür, keyfine keyif katmayı amaç edindik.

Amerika'dan Japonya'ya kadar 40'tan fazla ülkeye kendimize ait tasarımlarımız olan cam, avize ve aydınlatma ürünleri ihracatını yapmaktayız. Özel aydınlatma tasarımları ve cam sanatı el işi üretimiyle, sektöründe öncü olan TAVCAM, gerektiğinde zamanın en ileri teknik ve teknolojilerini kullanmaktadır.

2004 yılından itibaren katıldığımız yurtdışı mesleki ihtisas fuarlarında Türkiye'yi el işi cam ve dekoratif aydınlatma alanında büyük bir aşkla, gururla ve başarıyla temsil etmekteyiz.

TAVCAM ailesi olarak; iş yaparken insan odaklı bir çalışma anlayışını benimsedik. Yenilikçi bir vizyona sahip olmakla birlikte kültürümüzü yaşamayı, değerlerimizi gelecek kuşaklara taşımayı, huzuru, adil paylaşımı ve başarıyı mutluluk bilen bir anlayışı yaşamak gayretindeyiz.

" Işık, bu topraklardan bir kez daha yükselsin diye... "

TAVCAM is a family company that established in 1979. Our adventure started with producing crystals for chandeliers with 8-10 employees, early 2000's our company expanded to produce handmade glasses and crystals as unique as possible to us and to sector as well.

Today we produce handmade glass chandeliers and lighting equipments with more than 100 employees in lighting sector while our journey continues with light. Our mission and vision to present pleasure and happiness for our profession and customers.

We export our designed glasses, chandeliers and lighting equipments to more than 40 countries from USA to Japan. As leading company of the sector Tavcam manufactures using the latest technology and advance methods to produce special desing projects, handmade glass and chandeliers.

We have represented to Turkey in handmade glasses and decorative lighting branches of sector in international exhibitions from 2004 with passion, honour and success.

As TAVCAM family we take up people-oriented working seriously. We try to have innovator vision to move to the next generation our culture, merits and to live in mentality that knows success as happiness.

" So that the light rises up from this land one more time "
